

MORCLEAN

BinWash SKID

The Bin Wash Skid model offers all the great features of the original machines, but is not trailer mounted, so is ideal if you have your own trailer or a van that you would like to use for the cleaning of wheelie bins. The machine allows you to clean two domestic bins at a time, and is made with a heavy duty galvanised trailer or frame. Durable and efficient, the Bin Wash makes easy work of an otherwise difficult job.
