

BinWash **STATIC**

Perfect for use on a site or depot, this machine is frame mounted with adjustable feet, and is sturdily fixed for the continuous cleaning of wheelie bins. These machines provide a cost effective solution for the lucrative wheelie bin washing market. Making easy work of cleaning many bins consecutively, this machine ensure the job is done speedily, with ease and in a eco-friendly way. All waste water is filtered and recycled to be used throughout the rest of the working day.
