

BinWashTROJAN

Truly the heavy weight of our range of bin wash machines the bin wash Trojan is a truly sturdy workhorse for the serious operators within the lucrative bin wash market. Featuring heavy duty components the main pump is designed to pump any water with dirt, seawater or sand in it and is the ultimate duty in terms of wear & tear. As with the Eco and Custom range the Trojan is assembled using a heavy duty galvanised trailer, poly tanks and stainless steel tray. A unit that is truly compact, sturdy and hard wearing.

Trailer	Engine	Pump	Pressure	Flow	Tank	Battery	Lift
EU approved highway towable trailer	Honda GX	Diaphragm Heavy Duty pump	1.5 kw	13Lpm	Poly tank & 0.014mm inner	100Ah in box	12V lift galvanised

Bin Wash Machines

Morclean bin wash machines feature automated bin lift and water recycling. The machines are easy to use, practical and self contained. Cleaning is effortless due to the one-button lift and bins are washed in one simple process.

About us

Morclean has over 35 years experience in high pressure and jet washing and are one of the market leaders in cleaning equipment. Morclean distributes equipment throughout the UK as well as exporting to overseas markets. All enquiries welcome.

Distribution

The Bin Wash Trojan range is exclusive to Morclean in the UK and not available from any other UK outlets.
